

DANIEL VELÁZQUEZ GARCÍA

Architect & Interior Designer

Mexico City, Mexico · (55) 6319 3339 · dan.vela@icloud.com · linkedin.com/in/daniel-velazquez-gar · Portfolio: [link]

PROFESSIONAL PROFILE

Architecture graduate from Tecnológico de Monterrey with combined experience in interior design and on-site construction supervision. Involved in the conceptual and executive development of residential and commercial projects, coordinating cross-disciplinary teams and vendors to meet design, schedule, and cost standards. Seeking a Jr. Architect or Interior Designer position where I can apply technical proficiency in AutoCAD, and Rhinoceros alongside hands-on field experience.

PROFESSIONAL EXPERIENCE

Jr. Architect — *The Indigo Interior, Mexico City*

2026 – PRESENT

- Led conceptual and executive design for 3 residential and commercial interior projects, directing the process end-to-end alongside the design team.
- Provided on-site technical supervision during execution, ensuring design fidelity and delivery of aesthetic and functional goals on high end projects.
- Coordinated communication with 5+ vendors and contractors simultaneously, achieving 100% on-time delivery against client-committed deadlines.

Construction Site Supervision Assistant — *Gropius CDMX*

2024 – 2025

- Supervised on-site construction progress across 2 projects, ensuring quality standards were met within established timelines.
- Prepared construction progress reports to document and quantify work completed, improving cost and schedule tracking.
- Conducted precise architectural site surveys, reducing discrepancies between executive drawings and as-built conditions.

Volunteer Assistant — *Alcaldía Benito Juárez (Mexico City local government)*

2022 – 2023

- Reviewed construction progress reports to verify accuracy of measurements and costs on public works projects.
- Coordinated site visits with contractors to track and report on construction progress.
